Electrical Inspections

#1

We pride ourselves on
being the top electrical
safety experts in **Brisbane**

Rival Energy provides locals in Brisbane and South East Queensland with professional pre- and post-purchase electrical inspections.

With more than 15 years of electrical experience, our certified, licensed electricians have been providing detailed electrical inspection services for all types of property owners.

When you need a pre purchase electrical inspection or a post-purchase certificate, reach out to the team at Rival, and we can get the job done swiftly. Along with a detailed report, we'll let you know if any repairs or upgrades are needed to clear electrical hazards and get your property fully compliant and secure.
